<p>Images of old Backgammon boards</p>	<p>The problem is...while the times have changed, the look and feel of the Backgammon board has not. It's bland, antiquated, and a far cry from the glamorous hay days of the 60's and 70s!</p>
<p>Images of team constructing BKN</p>	<p>We set out to change that! We wanted to reinvent the Backgammon board and give it a modern twist... and make this classic game easier to learn.</p>
<p>Product shots highlighting the set up dots</p>	<p>Our BKN board uses set up dots that are an absolute game changer. It cuts down the prep time so you enjoy more play time!</p>
